Family Activity Guide

Fashion Time Machine!

Have your parents or caregivers describe their favorite outfit from when they were young. If you can, look at pictures. What differences do you notice?

Fashion Show Funny!

This is just like dress-up but with extra derp! Turn your living room into a funny runway. Mix and match your fashions to come up with the most upside down and inside out combinations ever!

What you'll need:

- At least one other person
- 2 big sweaters for each person
- A pair of pants or skirt for each person
- Socks
- A belt for each person
- Anything else in you're closet!

Directions:

Put your legs in the arm holes of the sweater and use a belt to hold it at your waist. Now you should be wearing a sweater as your top and your bottom. Use the pants or skirt to make a hat for your head. Now make your socks into accessories like gloves and arm bracelets. Complete your look with mismatched shoes and a funky jacket. Now you're ready for the runway!

Fashion Monsters.... *That Doesn't Match!*

What you'll need:

- At least two other people
- A few sheets of paper
- Something to draw or color with

Directions:

Fold a piece of paper into 3 equal sections.

Have one person draw the head. Now fold it so that the others can't see. Another person draws the chest and arms. Again fold the paper so that the others can't see. A third person draws the legs and feet, without looking at what the others drew. Make sure to include fun fashions! When everyone has had a turn, open up the paper to reveal your creation!
