Fairmount Park Conservancy Announces:

CALL FOR ARTISTS

For interactive, performance-based art at LOVE Park during the 2020 Fringe Festival

2020 Fringe Festival: September 10-October 4

Request for Proposals

[Deadline to Apply:](#) Friday May 1, 2020

LOVE Park (aka JFK Plaza), Center City Philadelphia

GOAL/OBJECTIVE

Fairmount Park Conservancy and Philadelphia Parks & Recreation propose to use the arts to welcome a diverse representation of Philadelphians into the recently redesigned LOVE Park. The proposed programming is intended to emphasize that the improved park is to be enjoyed by all and to convey a sense of belonging and welcome. We'd like to employ the arts as a means of connecting park users with one another. The renovation project removed physical barriers (walls) between the street and the park, opening the park up further to the life on the street. The Arts can help to break down social and emotional barriers.

We want people who may never step foot into a theater to feel excited to come to LOVE Park for the free performances. We believe this sort of exposure will also help to promote FringeArts to audiences that aren't already familiar with them, furthering arts and culture in the city.

WHO

Three artists who work in any of the following modalities: (1) creative performance art; (2) dance; (3) music performance; (4) puppetry; (5) interactive design (6) circus performance

WHAT

Fairmount Park Conservancy is looking for interactive pieces that encourage audience participation. The selection criteria will be weighted to emphasize that. We'd like the artists/ performance to draw a diverse audience that is representative of the city's population.

BUDGET

Each selected independent artist will receive a stipend of \$1,500 from Fairmount Park Conservancy. This fee represents the full and complete honorarium for all services rendered by artists. Fairmount Park Conservancy will also cover the cost of Fringe Festival registration. Artists must secure insurance.

OF PERFORMANCES

Each artist will perform a minimum of 3 performances during the Fringe Festival (September 10–October 4).

PERFORMANCE SCHEDULE

A minimum of 2 of each artist's performances should take place on weekdays between the hours of 11am and 7pm to take advantage of peak visitation times and complement existing programs in the park. We are also open to hosting a few performances on evenings and weekends.

SITE USE

Artists may set up their performance in any area of the recently renovated LOVE Park except the following: 1) the Welcome Center building and the surrounding perimeter; 2) the planted garden along 16th Street near the corner of Arch St.; 3) the planted garden behind the LOVE sculpture near 15th Street and JFK Blvd. Interested artists are encouraged to visit the site to get

a sense of the space and where they'd like to set up. Applicants should propose where they'd like to set up in the park and include their total space requirements (in sf) in their response to the call.

Marked areas are off-limits for performances

SOUND/AV

Artists will have permission to use amplified sound for performances as long as it does not exceed a decibel level that makes conversation difficult/impossible. Artists will need to provide their own sound amplification equipment (PPR does not have any available). Mega speakers will not be permitted.

Power will be available on site in multiple locations. Artists should submit their power needs as part of their response so that we can confirm it doesn't exceed what's available.
